

**Building Stone Institute** and **BNP Media** request your article submission(s) for the **spring 2015** edition of **Building Stone** MAGAZINE. Submission(s) should support one of the editorial topics listed below.

**The BNP Editorial team will conduct any and all interviews and write the articles.**

### Green Design

**Stone Innovations** (what's new in natural stone for the built environment?)

**Renovation/Restoration** (commercial or residential)

**Residential Architecture** (new interior, exterior or landscape applications)

**Commercial Architecture** (new interior, exterior or landscape applications)

**Architectural Carving** (letter carving, decorative carving, tombs and monuments)

**Submissions for fairly distributed regional focuses -- Northeast, South, Southwest, Southeast, West, etc. will be accommodated on a first-come, first-served basis. New submitters encouraged!**

**Initial Submission Deadline: December 12, 2014**

**All initial submissions must include the following:**

1. A brief overview of the project. The description should include the project name and location; a description of the project's purpose and function; an explanation of why natural stone was selected; and **specifically** whether stone was a solution to a design problem. **The Editorial team will conduct any and all interviews and write the articles.**
2. The name, address and contact person/information (e-mail and phone number) of the architect/landscape architect/design firm and/or consultants. Please clearly indicate any Architects/Landscape Architects in Association.

*Note: Additional submission requirements may include - the project owner; the general contractor or construction manager; the stone installer; the stone supplier and the type of natural stone used -- along with quantities and dimensions for the various materials, if available.*

3. Photos: one or two good quality images for review. If selected, we will require up to 12 **high-resolution** professional-quality photographs of differing views of the project.\*

Final images may be .jpg files on CD, minimum 300 dpi. Carefully select and identify to include:

- An overall view of the structure
- Views of the exterior
- Views of the interior (only where stone is used)
- Close-up views of special details
- In-Progress construction images

**If this is a renovation/restoration at least 3 of the photographs should be of the project prior to work.**

**Send submissions to: Jennifer Adams E: [adamsj@bnpmedia.com](mailto:adamsj@bnpmedia.com) P: 201-291-9001, ext. 8611 and copy Jane Bennett, BSI EVP via email: [jane@buildingstoneinstitute.org](mailto:jane@buildingstoneinstitute.org)**

*\* By submitting your photos, BSI reserves the right to use any copyrighted photos in Building Stone Magazine. Please also include any required photographer credits at the time of final submission. **If you do not have photos of the project, please indicate where photography can be obtained, (from the architect, general contractor, etc.), and provide their direct contact information.***
